

CEMI Convening Resources

Day 2- July 25th, 2023

1. [Building Our California Economy for All: Why Mutuality and Movements Matter](#)
 - Presentation slides made by Chris Benner and Manuel Pastor. The slides go over the basics of the Solidarity Economics framework and how it's applied.
2. [Workshop: Building an Advocacy Program at your Organization- Agenda and Resources](#)
 - Notes from the workshop led by Erika Katske at CEMI convening. The session explored the different processes and stages of building an advocacy program.
3. [Workshop: CERF Plus- Navigating the Existing State and Federal Funding Landscape](#)
 - Notes and handouts from the workshop on CERF and other public funding, led by Lupe Garcia and Lamont Cobb from PolicyLink and Phoebe Seaton from Leadership Counsel for Justice and Accountability
 - Shared resources to know more about federal funds: [Demystifying the Federal Funding Landscape](#), webinar hosted by Just Solutions Collective.
4. [Community Economic Resilience Fund \(CERF\) Overview](#)
 - Powerpoint slides of the CERF program, facilitated by OPR, GO-Biz, and LWDA to support resilient, equitable, and sustainable regional economies. This presentation was given by Fabiha Zaman from OPR at the CEMI convening.
